VIVIAN BEER FEATURED IN "PATHMAKERS: WOMEN IN ART, CRAFT, AND DESIGN, MIDCENTURY AND TODAY"

NOVEMBER 2015

Vivian Beer (Metalsmithing 2004) is one of 40 artist featured in **"Pathmakers: Women in Art, Craft, and Design, Midcentury and Today"** at the National Museum of Women in the Arts . The exhibition forges a connection among female designers, artists and craftspeople in the mid-20th century with those working today. The exhibition is open through Feb. 28.

CRANBROOK'S GOLDEN AGE: HOW A FREEWHEELING SCHOOL CHANGED AMERICAN DESIGN

NOVEMBER 2015

"More than a set of formative experiences, the Cranbrook Academy of Art was a way of thinking, providing collaborations and contests that unleashed the creativity and skill of design pioneers." **Read Curbed's extensive look** at Cranbrook Academy of Art's history as a
